

The 12th

Japan - China - Korea

Joint Symposium on Enzyme Engineering

May 28-31, 2012 Kanazawa Excel Hotel Tokyu
2-1-1, Korinbo, Kanazawa-shi, Ishikawa 920-0961, Japan

Important Dates

Jan. 31, 2012 : Deadline for Registration for Speakers

Feb. 29, 2012 : Deadline for Abstract Submission

Topics

1. Fundamentals of Biocatalysis I
(Discovery of New Biocatalysts, Protein Engineering, and Directed Evolution)
2. Fundamentals of Biocatalysis II
(Enzyme Structure, Reaction Mechanism, Bioinformatics, and Synthetic Biology)
3. Application of Biocatalysts I
(Bioconversion, Biorefinery, and Industrial Process)
4. Application of Biocatalysts II
(Bioremediation, Biosensor, and Application in Medicine)
5. ERATO(Exploratory Research for Advanced Technology) Session

Conference Co-Chairs

Prof. Yasuhisa Asano
(Toyama Prefectural University, Japan)

Prof. Cheng Jin
(Institute of Microbiology, Chinese Academy of Sciences, China)

Prof. Hak-Sung Kim
(Korea Advanced Institute of Science and Technology, Korea)

Organizing Committee Chair

Prof. Osato Miyawaki
(Ishikawa Prefectural University, Japan)

Organized by

Japanese Society of Enzyme Engineering
Chinese Society for Enzyme Engineering
Korean Society of Enzyme Engineering
